

Switch Witch

I am the **switch** witch from the land of **moonlight**.
I **come** to **trade** candy on **Halloween** night.

With my black cat **Zoom**, we fly in **on** my **broom**.
Searching from **here** to **there**, for a child who **likes** to **share**!

In **exchange** for your candy, I'll **leave** you a **treat**,
a **fun** little **present** instead of **something** to **eat**.

So **leave** your **leftover** candy out by the **door**,
and in the **morning** you'll **see** what I've **traded** it **for**.

Goodies! 'til next Halloween!
The Switch Witch and Zoom
