Instructions

Chickpea Counting Activity

Materials needed:

- Number flash cards
- Pour and Play Kit

Activity Steps:

Lay flash cards face down.

Pick a card - Select a flash card from the pile and turn it over to reveal the number.

Count - Count out the corresponding number of chickpeas from your play tray and place them on the cauldron.

TIPS:

Encourage counting out loud to reinforce number recognition. Use different arrangements (lines, groups, etc.) to make counting engaging.
